

This budget-friendly RV pedestal model is available in direct burial or pad mount design. All outlets are breaker-protected.

Features

- Galvanized steel construction
- Aluminum cap for additional corrosion protection
- NEMA 3R rated
- Loop feed power termination lugs
- Series electrical design (larger amperage breaker protects lower amperage breakers) to prevent main service overload
- Stainless steel exterior hardware
- Low voltage section available
- Standard Parks Green powder coat finish
- Breakers protected under hinged cover

Specifications

- ETL certified to applicable CSA and UL standards
- 10,000 AIR
- Standard splitter blocks #14-#1 AWG

Optional Components

- Low voltage section with cable telephone or network outlets
- Custom lug configurations
- Back to back design
- Custom RAL powder coat colours including beige, grey and white
